CUVÉE 2020

Südtirol · Alto Adige DOC

The vision of two Superior wines, red and white, was born many years ago, ultimately with the completion of the new winery in Bolzano. One result is TAL 1930 (the founding year of the Santa Maddelena Winery). It is the product of great patience and passion, and of ceaseless experimentation by winemakers and our cellar master to compose the best grapes into a unique pleasure experience. The grapes were selected following careful examination from selected vines that are 30 years old and more from the very best sites on the Bolzano porphyry slopes leading up to the Renon at 400 - 700 meters above sea level. The overriding principle of our oenologist Stephan Filippi: optimum conditions in the vineyard and cellar plus strict selection.

Matured for 12 months in small French oak barrels (barriques). Then aged for 14 months in stainless steel tanks before being left to arrive at their ultimate finesse in the bottle.

Color Bright straw yellow with golden highlights, cool and seductive at the same time. Reflects the brilliance of the composition.

Nose Intense yet elegant notes of exotic fruits such as mango, pineapple and melon combined with fresh hints of grapefruit and lime. Aromas of apple, pear and lychee accompany notes of elderflower and jasmine, plus a light-as-a-feather sweetness of caramel.

Palate Exquisite freshness, stimulating and caressing the palate, harmonious generosity. Every sip is invigorating and persistent, with a fulfilling mineral finesse.
