## MERLOT

Südtirol · Alto Adige DOC

Merlot, one of the noble grape varieties, has been cultivated in Alto Adige for more than a hundred years. The grapes for this fruity and zesty wine, with its typical light vegetal notes, are harvested from selected vineyards.

<b>Grape variety</b>	Merlot
<b>Area of cultivation/ climate</b>	Warm slopes in the Adige Valley and around Bolzano at 300 meters a.s.l.
<b>Grape harvest</b>	Beginning to middle of October
<b>Vinification</b>	Traditional fermentation of the must, malolactic fermentation in stainless steel, short period of maturation in the bottle
<b>Tasting notes</b>	<p>Color: deep ruby</p> <p>Aroma: fruity aromas of dark berries, light spicy notes, dark chocolate and a hint of hay</p> <p>Taste: expressive, full-flavored, with a soft well-balanced structure</p>
<b>Food pairings</b>	Grilled or roasted red meats, game and medium-aged cheeses
<b>Serving temperature:</b>	16 - 18 °C
<b>Alcohol</b>	13,5 % vol*
<b>Residual sugar</b>	2,2 g/l*
